## Peace Celebration Will Take Place In A Few Days

If Germany signs the Peace Treaty without further delay, and it is expected she will, there will probably be a general holiday proclaimed. It is expected that the signature of the Treaty will be made known Sunday or Monday.

To consider the form that Strathmore's celebration is going to take, when the news arrives, a public meeting will be held in the Town Hall, at 8 p.m. tomorrow evening, and everyone interested is invited to be present.

### Weather and Crops

The weather of the past week has been very fine, with the work of gardens, warm weather, and a succession of showers of varying intensity. Crops are making very good progress, and the stand is as good as has ever been seen in this country, but a good heavy rain within the next week would be welcome.

### Deserters Captured

Three men, alleged to be deserters from the Canadian forces at Calgary, were picked off the way-freight on Monday by Constable Vals, of the Provincial Police. They were held yesterday pending the arrival of a military escort, Constable Vals deserves credit for his smart capture.

### Citizens' Band Organize

At last Strathmore has organized a band again. In an enthusiastic meeting held in the Town Hall on Monday evening, and attended by more than a dozen musicians, it was decided to organize at once, and to hold practices twice weekly, on Monday evenings and Sunday afternoons.

Mr James Saunders was chairman of the meeting, and the following officers were elected:

President—J H Brand  
President—Dr Girvin  
Sec-Treasurer—W Saunders  
Bandmaster—J Fontaine

Alto—L. H. Hiltz  
The first meeting was fixed for 8 p.m. and Messrs. Saunders and Schulz were empowered to make arrangements for a place to hold meetings.

Among those who were enrolled as members were:—J Fontaine, M. H. Hiltz, J Saunders, W. Caine, II, Glover, Sam Lones, Geo Anderson, J. Verner, C. Neale, J. Schultz, W. Simonds, and Dr. Girvin.

All other musicians in the band are invited to join the band.

Mr. Fontaine, the bandmaster, is an accomplished musician, having been former bandmaster at High River and Okotoks, and has won prizes at various contests. Under his leadership the band is bound to be a success.

### Baseball

Gleichen and Strathmore meet at 5 p.m. to-day. It is going to be a real good game. Strathmore is bringing along something extra-cossy in the way of a pitcher, and Gleichen is doing the same. There will be some smoke to this battle, and the crowd should be a record one.

Strathmore added another scalp to their string on Sunday defeating Krama at Krama, 13-11. On Wednesday they trimmed Chaddle 15-13.

To meet the ball club's expenses a subscription list has been going to become Navigator for Raynolds. Around town, with very good results. Constable Vals, in his usual persuasive manner, has been round ing up simonies, and everyone seems to be on the ball team going to meet the ball club's expenses.

Their first game will be to play at the Gleichen Orange Lodge on June 1st.

Strathmore Orange Lodge will play their annual series at the Methodist Church next Sunday evening. This will be Rev. J. P. Berry's farewell service,

# Labor Party May Rule in Britain

New York.—Prediction that the British Labor party would assume the reins of government in England with the next change in administration might come sooner than was expected, was made yesterday by H. L. St. John, 60, a Labor man and member of the House of Commons. Mr. Thomas, who made his prediction in an interview with the *Standard*, a member of the Confederate Union, which recently launched United States Labor party along lines similar to those of the British party, is one of the most powerful labor leaders in the British Isles.

He was general secretary of the British Union of Railways, and was also a member of the executive committee to obtain the longer-day and overtime demands. He led the British delegation at the international Socialist Congress in Berlin, and in Berlin, to which the American Federation of Labor was referred to send representatives.

After declining any wish to dictate or interfere with the labor situation in the United States, Mr. Thomas declared results achieved by the Labor party in England had convinced him that the cause of labor, of political as well as trades union weapons were as essential to realization of the welfare of the workers, additional to those which were held "stronger" if he returned to the United States again.

"I don't believe in bloody revolution, but I do believe in a revolution of ideas," said Mr. Thomas. "Men and women use their political influence to achieve their ideals."

One of the strongest planks in any Labor party platform, he declared, should be to demand that conditions be established throughout the world "that would make a repetition of this here."

T. D. Match, an Australian Labor leader, who also met the Central Federated Union leaders, was well spoken in his advice to United States labor leaders to "keep the cause of the workers in the United States." "We are more happy in the United States than you are here in the United States," he said, "because we have seen enough to recognize and obtain the real reform."

"Each worker has two arms—a political arm and an industrial arm. Don't fight with one arm while the other is being used."

Turning his attention to newspapermen present, Mr. Match, who was organizer of the Union of Newsagents, said: "The English are not so good at starting a similar movement in the United States."

## HOUSE WIVES

The People's Market Limited are endeavoring to co-operate in every possible way with their customers, but on operation is some thing which must be entered into by both parties in order to be successful. It is our desire to supply our customers with what fresh fruit there is in the market at the lowest possible cost and to supply the best possible quality. Berries of all kinds are quoted at such high prices that by the time they are packed in crates and express through to us this year will bring them too high for customers. Therefore, we are going to have the berries packed in boxes to ship standing when packed, which the packing houses are putting up in large cartons which can be shipped through by freight later on in the season and sold on a gallon basis. This fruit can be rehandled and packed again and will keep for months and months longer than ordinary than they can be handled by the crate and shipped through by express.

We can also get fresh fruit by taking them just at the time when the fruit is ripe and in the right stage to strip them off the tree and have them come to us in a fresh and undamaged much more economically than they can come through by express during the season when they are simply picking the first fruit to ripen on the tree and filling all the small express orders.

If each of our customers will be good enough to advise us as soon as possible when they have a bushel of fresh fruit, we will supply a sample and have many of the regulars come to the tree first, such as Peaches, Apricots, Plums, and so forth, we will have each of our salesmen supplied with a list on which they can note the name of the customers and the requirement of each, so that we can name the fruit and the year as can be possible to fill the requirement of all without buying more than can be used by the community served by each one of our markets.

Kindly give this your earliest attention and make a list on your first visit to the market, and greatly oblige

The People's Market Limited
